## ACADEMIC INTEGRITY

It is the aim of the faculty of South Plains College to foster a spirit of complete honesty and a high standard of integrity. The attempt of any student to present as his or her own any work which he or she has not honestly performed is regarded by the faculty and administration as a most serious offense and renders the offender liable to serious consequences, possibly suspension.

Cheating - Dishonesty of any kind on examinations or on written assignments, illegal possession of examinations, the use of unauthorized notes during an examination, obtaining information during an examination from the textbook or from the examination paper of another student, assisting others to cheat, alteration of grade records, illegal entry or unauthorized presence in the office are examples of cheating. Complete honesty is required of the student in the presentation of all phases of coursework. This applies to quizzes, as well as final examinations, to daily reports and to term papers.

Plagiarism - Offering the work of another as one's own, without proper acknowledgment, is plagiarism; therefore, any student who fails to give credit for quotations or essentially identical expression of material taken from books, encyclopedias, magazines and other reference works, or from themes, reports or other writings of a fellow student, is guilty of plagiarism.

## VERIFICATION OF WORKPLACE COMPETENCIES

Vocational nurses are expected to know the body structure and childhood illnesses of pediatric patients

## ADDITIONAL CLASSROOM ITEMS

Students should come to class prepared for taking notes or completing quizzes or assignments in class. You may use your computer/IPAD for this course content only in the classroom. Follow the student conduct guidelines for appropriate use of electronics in the classroom. Due to COVID we may have to meet virtually at some point. Please have a plan prepared as to how to meet via computer for this course. You will need to have access to a computer, and it will need to have a camera and a microphone. When we meet virtually it will be Microsoft Teams, Blackboard Collaborate or Zoom. In the event we must meet in the virtual setting please notify me if you do not have a computer to use.

## ATTENDANCE POLICY (\*READ CAREFULLY)

Students are expected to attend all classes to be successful in a course. Missing even one lecture/class activity can negatively impact student performance; therefore, classroom attendance is mandatory, and students are accountable to attend and be on time for class. Students must be in their seat, ready for class at the scheduled time.

Attendance is taken for each class by signature page or via verbal roll call by the instructor; it may be taken several times during a class period. A student who is not present at any point when attendance is taken will be marked "absent." A student is not allowed to disrupt the class due to tardiness. A student who is late and arrives after the door is closed may come into the classroom quietly to hear the lecture, BUT the student will still be marked as "absent". Students who are late for an exam will not be allowed to take the exam and are counted as "absent". Students who do not return to class after an exam are counted as "absent." If the student is asked to leave the classroom for any reason (sleeping, talking or other inappropriate behavior), the student is given an absence. Students who "forget" to sign in are counted as absent.

A student who exceeds 2 absences in this course does not meet the course objectives and may be withdrawn from the Vocational Nursing Program\*

As a matter of courtesy and professional behavior, a student who is going to be absent must email the course instructor and inform the instructor of the pending absence.

Breaks are given during the lecture time. Because we must closely monitor student movement in the building, you may only have a break when one is given. Coming in and out of the classroom during class/lab causes a distraction. If you leave the classroom or lab for any reason outside of the assigned break time, you may be counted absent, per instructor discretion. Students should use break times wisely by going to the bathroom, getting refreshments, etc. rather than spending time on cell phones and then wanting to go to the bathroom when class starts. If you are not back at the designated time after a break, you are counted absent.

COVID policy: See VN Student Handbook

If you are experiencing any of the following symptoms, please do not attend class and either seek medical attention or get tested for COVID-19.

- Nasal congestion
- Cough, shortness of breath, difficulty breathing
- Fever or chills
- Muscle or body aches
- Vomiting or diarrhea

Please also notify DeEtte Edens, BSN, RN, Associate Director of Health & Wellness, at [dedens@southplainscollege.edu](mailto:dedens@southplainscollege.edu) or 806-716-2376

1. SPC policy recommends a 3-day isolation period for individuals who test positive.

- Please note that day 0 is the date of a positive test. Day 1 begins the first full day after the date of positive result.

2. COVID reporting

- Please have students and employees notify DeEtte Edens if they have tested positive to verify dates before returning to class or work.
- The home tests are sufficient, but students need to submit a photo of the positive result. The date of the test must be written on the test result and an ID included in the photo. If tested elsewhere (clinic, pharmacy, etc.), please submit a copy of the doctor's note or email notification. Results may be emailed to DeEtte Edens, BSN, RN at [dedens@southplainscollege.edu](mailto:dedens@southplainscollege.edu).
- A students are clear to return to class without further assessment if they have completed:

The 3-day isolation period, symptoms have improved, and they are afebrile for 24 hours without the use of fever-reducing medication.

3. Please instruct students and employees to communicate with DeEtte Edens prior to their return date if still symptomatic at the end of the 3-day isolation.

4. Exposed individuals will not be required to quarantine. If exposed, SPC does request individuals closely monitor themselves. If an individual does become symptomatic, please do not attend class or work and be tested.

Should a student become ill (example of illness: fever; nausea/vomiting that is *not* due to pregnancy; diarrhea or any other communicable disease), a physician's release must be submitted when the student is treated by a physician. (per Handbook policy)

4.1-B Tardy: Tardiness is not accepted in the Vocational Nursing Program. Students are either present and on time or they are absent. Once the door to the classroom/lab is shut, that signals class has started and the student will be counted absent. The student may still join the class to receive content but will still receive the absence. See Exam policy regarding expectations on tardiness for exams.

## ASSIGNMENT POLICY

All required work must be in turned in on time in order that the student may benefit from the corrections and study for future examinations. Assigned outside work is due on the dates specified by the instructor. No late work is accepted. All work is submitted via ATI or Blackboard.

Students should retain a photocopy or computer-accessible file of all assignments turned in.

Assignments are not accepted by email. You must submit according to the instructions given by the instructor depending upon the assignment and it is your responsibility to make sure you do not upload blank documents, and your document can be opened on a PC, because not all Mac files are able to convert. If you submit a blank document or a file that cannot be opened, it will not be accepted, unless you inform the instructor a minimum of two hours prior to the deadline. If within this timeframe, the instructor can clear the previous attempt and allow the student to resubmit before the deadline. Again, it is your responsibility to make sure it is compatible and not blank.

## COMPUTER USAGE

As computer technology in the field of health occupations continues to become more popular, computers will be used in this course. All students must have access to computers, web cam, microphones and printers. Some may be available on the South Plains College campus. Students will be expected to utilize computers to access assignments, classroom resources, Zoom Meetings and possibly exams. All registered students are supplied with a working email account from South Plains College. The use of TikTok is prohibited on SPC devices and WiFi. TikTok may not be used for online assignments.

ALL STUDENTS ARE EXPECTED TO KNOW THEIR SPC STUDENT USERNAME AND PASSWORD.

## COMPUTER LAB USAGE

The computer lab may be used by students during scheduled hours or as assigned by the instructor. Printer paper will not be provided for students to print materials, but students may seek assistance from faculty or staff to request lab paper from the college if needed. Lack of computer lab paper is not an excuse for not having homework assignments, skills lab sheets, or any other required documents.

## EXAMS

- See Lecture/Exam Schedule.
  - Presentation of material includes class lectures, discussion, handouts, videos, and power point. Exams may be on paper with pencil or via computer by ATI.
  - Exams are administered in a campus computer lab using ATI and the lab must be reserved by the instructor in advance. Students are expected to arrive on time for exams and complete the exams within the time frame allowed as other classes may be booked behind our scheduled time and you will not be permitted to take your exam past the scheduled time unless arrangements are made in advance for extenuating circumstances. Due to the ever-changing COVID conditions it is possible you may take exams on ATI and have the exam proctored by ATI Proctorio. It is your responsibility to make sure you have working computers with a web cam and a microphone and reliable internet.
  - In addition to the course exams, each student will take an ATI content mastery exam. Each student should score level 2 on the Pediatric Content Mastery Exam.
  - The ATI exams will be given as:
    - Practice Exam A/B-Students must submit a score of 90 or above on one of the practice exams prior to taking the content mastery exam. This will be completed out of class.
    - Pediatric Assessment-This will be completed in class.
  - The ATI content mastery exam grade will count 10% of the final grade.
  - Grades will be recorded on Blackboard for the student to view.
  - Students will have the opportunity to review each exam taken as scheduled by the instructor. After viewing the exam, if the student has further questions, the student will need to email the instructor for an appointment to review the exam for further explanation. The student must discuss this with the instructor within 48 hours of viewing his/her grade. Once the 48 hours have passed without the student questioning the grade or question, the assigned grade is final and may not be challenged at the end of the course. Grades will not be emailed or given out by phone.
  - Medical Terminology: Abbreviations & Definitions may be included in the unit exams.
  - Students must earn a "76" or better in this class and meet all criteria as discussed above for progression.

### Course Grade is determined by:

Unit Exams (7)	50%
Growth and Development Presentation	10%
ATI Mastery Exam	10%
Final Exam	20%
Pediatric Movie Assignment	10%
TOTAL	100%

Please refer to your SVN handbook for additional comments about grades.

### MISSED EXAMS/MAKEUP WORK:

Students are expected to take all examinations for each nursing course. There are no makeup exams for this course. Since the final exam is comprehensive (meaning that it covers the entire course), the final exam grade will be substituted FOR THE FIRST MISSED EXAM GRADE ONLY. If any additional exams are missed, a grade of "0" will be recorded. There is no make-up exam for the Final Exam

NO exams will be given prior to the originally scheduled exam.

Any action interpreted as cheating by the facilitating instructor may result in immediate removal from the testing area, a zero recorded for the test grade and possible removal from the SPC nursing program.

## REMEDIATION

If/when a student fails the first exam in the course, the student is required to meet with Student Success Coach and/or Nursing Success Coordinator at least 3 days prior to the next exam. A First Exam Alert form will be sent by the instructor to the Student Success Coach (Mrs. Berryhill) and she will contact the student via email to set up an appointment to meet.

### Course Exams

Any exam grade below 76 will require a meeting with your instructor to be scheduled within 48 hours of the exam. As a courtesy, your instructor will email to remind students of the need to schedule a meeting. Remediation for course unit exams will be assigned at the discretion of the instructor.

## GRADING POLICY

The grade for this course will be determined upon completion of the following components:

Unit Exams	50%
Growth and Development Presentation	10%

Students having difficulty accessing Blackboard or their email should immediately contact their instructor for direction. The instructor will work with any student to ensure the student has access to a computer on campus and can obtain the needed class content that is located on the course website.

### Email Policy:

- Students are expected to read and, if needed, respond in a timely manner to college e-mails. It is suggested that students check college e-mail daily to avoid missing time-sensitive or important college messages. Students may forward college e-mails to alternate e-mail addresses; however, SPC will not be held responsible for e-mails forwarded to alternate addresses.
- A student's failure to receive or read official communications sent to the student's assigned e-mail address in a timely manner does not absolve the student from knowing and complying with the content of the official communication.
- The official college e-mail address assigned to students can be revoked if it is determined the student is utilizing it inappropriately. College e-mail must not be used to send offensive or disruptive messages nor to display messages that violate state or federal law
- Instructors make every attempt to respond to student emails during regular college business hours when faculty are on campus. Instructors are not required to answer emails after hours or on weekends.
- Students who use email inappropriately to faculty, students, staff or others will be placed on probation for the first offense; dismissed from the program for a second offense.

Texting Faculty: Students should not text faculty via the faculty cell phone. Written communication should be by email or the student may call the office phone. The faculty cell phone is for contact during the clinical hours ONLY and should not be used outside the clinical experience. Students who text faculty will be placed on probation for the first offense and dismissed from the program for the second offense.

## STUDENT CONDUCT

Rules and regulations relating to the students at South Plains College are made with the view of protecting the best interests of the individual, the general welfare of the entire student body and the educational objectives of the college. As in any segment of society, a college community must be guided by standards that are stringent enough to prevent disorder, yet moderate enough to provide an atmosphere conducive to intellectual and personal development.

A high standard of conduct is expected of all students. When a student enrolls at South Plains College, it is assumed that the student accepts the obligations of performance and behavior imposed by the college relevant to its lawful missions, processes, and functions. Obedience to the law, respect for properly constituted authority, personal honor, integrity, and common sense guide the actions of each member of the college community both in and out of the classroom.

Students are subject to federal, state, and local laws, as well as South Plains College rules and regulations. A student is not entitled to greater immunities or privileges before the law than those enjoyed by other citizens. Students are subject to such reasonable disciplinary action as the administration of the college may consider appropriate, including suspension and expulsion in appropriate cases for breach of federal, state, or local laws, or college rules and regulations. This principle extends to conduct off-campus which is likely to have adverse effects on the college or on the educational process which identifies the offender as an unfit associate for fellow students.

Any student who fails to perform according to expected standards may be asked to withdraw.

Rules and regulations regarding student conduct appear in the current Student Guide.

## EMERGENCY MESSAGES

The student should notify his/her family that in case of an emergency during the normal class schedule, they should call the Nursing Office. Class will not be interrupted unless it is an emergency, so the caller must identify him/herself and say it is an emergency to get immediate action.

The student should notify his/her family that in the case of an emergency during clinical rotations, they should call and leave a message or text (who they are and who they need to get in touch with for an emergency) to the number or numbers provided to them in the clinical course syllabus and/or on the clinical course schedule.
